

White Summer marks 10 years with music, food and art

White Summer marks 10 years with music, food and art.

Once again in the exceptional venue of Mas Gelabert, the White Summer festival in Pals reaches its 10th anniversary. With a programme worthy of such an important date, the festival will not only have plenty of music, but also food, design and street arts. An ideal festival for the whole family, White Summer has scheduled such top artists as Amadou & Mariam, Amaia (pictured), Los Manolos, Maria Arnal & Mar el Bagés, Sen Senra, Pol Batlle with Rita Payés, Charlie Cunningham, Ferran Palau, Ramon Mirabet, Bianca Steck and Cesc Sansalvadó. And for children there will be El Pot Petit, Mag Lari, Dàmaris Gelabert and Reggae per Chics.
