THE SATURDAY EVENING POST

CIRCULATION DEPARTMENT
SUBSCRIPTION DIVISION

Dear Reader:

Unless you have recently forwarded your renewal, your subscription for the LADIES' HOME JOURNAL is about to expire. By comparing the address label on your latest copy with the leaflet inclosed, you can tell just when.

In a year's brilliant issues of the LADIES' HOME JOURNAL, you'll enjoy four \$2 novels (previously unpublished) plus seventy or more dynamic short stories, plus a complete fashion and household service -- a service brilliantly illustrated with reproductions of full-color photography.

And in Journal articles, widely known experts bring you the news of the nation and the world; serious discussions of big affairs in politics, in peace and war, in health, in social life.

Because of your distance from our publication office we urge your prompt action to prevent your missing any one of the great numbers coming.

Very truly yours
